Re: KXL Exploration Certificate of Restoration Application (Part-II) for KXL Grand Haven 07-35-83-19 W6M ( WA# 10413)

This office has received an Application for a Certificate of Restoration (CoR-Part II), and a release form landowner for wellsite for the above referenced well authorization (WA # 10413) submitted by Vertex Professional Services Ltd on behalf of KXL Exploration Limited on September 23<sup>rd</sup>, 2019.

NO Submission of Schedule B assessment report based on the Official Community Plan #2388 of Fort St John city)

Based upon review of the information provided by the applicant, landowner release form and official community plan bylaw # 2388, 2017, your application for a Certificate of Restoration is approved and a copy of the Certificate of Restoration is enclosed (Certificate # 6001).

Please note Section 41(3) of the Oil and Gas Activities Act (OGAA) and section 47 (1) of the Environmental Management Act, which respectively read:

**"The issuance of a certificate of restoration does not relieve a person from any obligations under section 40 or under an order referred to in subsection (1) (b) of this section in respect of any matter that was not known to the commission at the time the certificate of restoration was issued."**

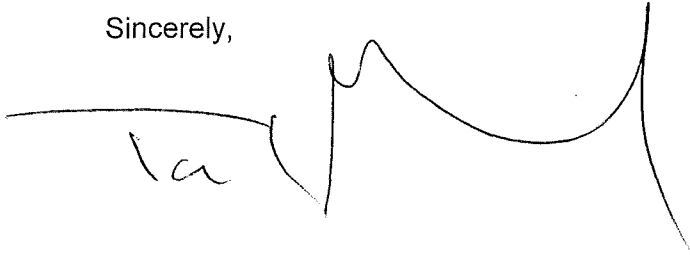

And:

**"A person who is responsible for remediation of a contaminated site is absolutely, retroactively and jointly and separately liable to any person or government body for reasonably incurred costs of remediation of the contaminated site, whether incurred on or off the contaminated site."**

Therefore KXL Exploration Limited remains liable for any contamination presently on site.

Any questions can be directed to the undersigned at (250) 794-5234

Sincerely,

A handwritten signature in black ink, appearing to read 'Taher Morsi', written over a horizontal line.

## CERTIFICATE OF RESTORATION

CERTIFICATE NO.

6001

This is to certify that the surface of the land held in conjunction with, or incidental to, the above application is deemed to be satisfactorily restored. Despite the issuance of this Certificate, the Ministry of Environment has the authority to order further site investigation or remedial action upon inspection of the site or file. Issuance of this certificate does not relieve the Applicant of any restoration requirements for which the Applicant is subsequently held responsible by the Commission.
