RE: Warning

Coastal GasLink holds an authorization issued on September 2, 2016 (application determination number 100084550) that includes the following condition:

A notice of construction start must be submitted to the Commission a minimum of 48 hours prior to the commencement of activities under this permit. Notification must be sent via OGC.ExternalNotifications@bcogc.ca.

On January 22, 2019 Coastal GasLink commenced activities without submitting the required notification prior.

Coastal GasLink is hereby warned by the Commission for failing to comply with the above condition. Please ensure that work procedures are amended and implemented to prevent the recurrence of such events.

If you have any questions, please feel free to contact the undersigned.

Sincerely,

Patrick Smook
Director, Compliance and Enforcement
BC Oil and Gas Commission
