**RE: Warning: Fail To Comply With Condition Of An Authorization**

Dear Sammy Hofer,

Peace View Hutterian Brethren Church holds conditional water license 133805 issued under the Water Sustainability Act. This license contains the following condition:

The license holder shall keep records on daily water withdrawals in units of cubic metres. This information must be submitted to the Commission via the relevant process at the time of submission on a quarter-annual basis, on or before January 25, April 25, July 25 and October 25, for the preceding three month period. This requirement for water use reporting can be amended from time to time as directed by the Water Manager

This condition provides Peace View Hutterian Brethren Church three weeks to compile its water withdrawal data and to submit a report to the Oil and Gas Commission (Commission). A report for the months of July, August and September was due no later than October 25, 2020.

On November 3, 2020, the Commission received the required report after e-mailing Sammy Hofer on behalf of Peace View Hutterian Brethren Church.

Peace View Hutterian Brethren Church has no previous non-compliance history. Given the circumstances, Peace View Hutterian Brethren Church is hereby issued a warning only for the following:

Peace View Hutterian Brethren Church, on or about October 26, 2020, at or near Fort St. John in the Province of BC, did fail to comply with the condition of an authorization contrary to Section 106(3)(k) of the Water Sustainability Act.

If Peace View Hutterian Brethren Church has any questions about this matter please feel free to contact the undersigned.

Sincerely,
