RE: Warning: Fail To Comply With Condition Of An Authorization

Peaceland Farm Ltd holds conditional water license 502277 issued under the Water Sustainability Act. This license contains the following condition:

The license holder shall retain records of measured discharge as per the requirement of Condition (i) in units of cubic meters per second and daily water withdrawals in units of cubic metres. This information must be submitted to the Commission via the relevant process at the time of submission on a quarter-annual basis, on or before January 25, April 25, July 25 and October 25, for the preceding three month period or at anytime otherwise requested by the Commission. This requirement for water use reporting can be amended from time to time as directed by the Water Manager

This condition provides Peaceland Farm Ltd three weeks to compile its water withdrawal data and to submit a report to the Oil and Gas Commission (Commission). A report for the months of October, November and December was due no later than January 25, 2021.

Peaceland Farm Ltd was contacted on January 28, 2021 and the Commission received the required report on February 2, 2021.

Peaceland Farm Ltd has no previous non-compliance history. Peaceland Farm Ltd is hereby issued a warning only for the following:

Peaceland Farm Ltd, on or about January 26, 2021, at or near Fort St. John in the Province of BC, did fail to comply with the condition of an authorization contrary to Section 106(3)(k) of the Water Sustainability Act.

If Peaceland Farm Ltd has any questions about this matter please feel free to contact the undersigned.

Sincerely,
