RE: Fail To Comply With A Condition Of An Authorization

Dear Ms. Regnier,

TAQA North Ltd. (TAQA) holds two authorizations issued under the Water Sustainability Act, namely conditional water licence 501477 and conditional water licence 117683. Conditional water licence 501477 contains the following condition:

The licence holder shall keep records on daily water withdrawals from each water supply well in units of cubic metres. This information must be submitted to the Commission via the relevant process at the time of submission on a quarter-annual basis, on or before January 25, April 25, July 25 and October 25, for the preceding three month period. This requirement for water use reporting can be amended from time to time as directed by the Water Manager.

Conditional water licence 117683 contains the following condition:

This licensee shall keep records on: actual daily water withdrawals in units of cubic metres,

This information will be submitted to the Regional Water Manager on a quarter-annual basis, on or before January 25, April 25, July 25 and October 25, for the preceding 3 month period, in a digital comma separated value format.

The requirement for reporting may be amended from time to time, as directed by the Regional Water Manager

This condition provides the company 25 days to compile its water withdrawal data and to submit a report to the Oil and Gas Commission (Commission).

A report for the months of January, February and March, 2022, was due no later than April 25, 2022.

The Commission received the required reports on May 12, 2022, after TAQA was contacted by the Commission. This was 17 days past the due date.

TAQA will be issued a warning only for the following:

TAQA, on or about April 26, 2022 at or near Fort St. John, in the province of B.C., did fail to comply with a condition of an authorization contrary to section 106(3)(k) of the Water Sustainability Act.

If TAQA has any questions about this matter, please feel free to contact the undersigned.

Sincerely,
