Attention: Marnie Yohemas,

RE: Warning : Fail To Comply With A Condition Of An Authorization

Dear Marnie Yohemas,

Woodfibre LNG General Partner Inc. (Woodfibre) holds water use authorization AD 100117204 issued under the Water Sustainability Act. This authorization contains a standard condition as follows:

The permit holder must maintain accurate records of all water withdrawal activities throughout the term authorized. Water withdrawal records for each diversion point, including '0' values for months where no water was withdrawn, must be recorded monthly. Water withdrawal records must be submitted to the BC Energy Regulator on a quarterly basis via e-Submission. Quarterly reports are due on or before April 25, July 25, October 25, and January 25.

This condition provides the company 25 days to compile its water withdrawal data and to submit a report to the BC Energy Regulator (Regulator). A report for the month of October, November, and December, 2023, was due no later than January 25, 2024.

On January 29, 2024, the Regulator received the required report. Woodfibre has no recent water reporting non-compliance history.

Given the circumstances, Woodfibre LNG General Partner Inc. is hereby issued a warning only for the following:

Woodfibre LNG General Partner Inc., on or about January 26, 2024, at or near Fort St.John, in the Province of BC, did fail to comply with the condition of an authorization contrary to Section 106(3)(k) of the Water Sustainability Act.

If Woodfibre LNG General Partner Inc. has any questions about this matter, please feel free to contact the undersigned.

Sincerely,
