RE: Warning : Fail To Comply With A Condition Of An Authorization

Dear Regulatory,

Pieridae Alberta Production Ltd. (Pieridae) holds water use authorization AD 100116410 issued under the Water Sustainability Act. This authorization contains a standard condition as follows:

The permit holder must maintain accurate records of all water withdrawal activities throughout the term authorized. Water withdrawal records for each diversion point, including '0' values for months where no water was withdrawn, must be recorded monthly. Water withdrawal records must be submitted to the Commission on a quarterly basis via eSubmission. Quarterly reports are due on or before April 25, July 25, October 25 and January 25.

This condition provides the company 25 days to compile its water withdrawal data and to submit an accurate record of such withdrawals. A report for the months of October, November and December 2023 was submitted on January 9, 2024.

In March, 2024, Pieridae Alberta Production Ltd. realized they had made a mistake in their December reporting and subsequently amended their December submission on April 4, 2024, during the Q1 2024 reporting quarter. The Regulator was not advised of the error or the change in the report until it was discovered during a review of authorization holder submissions.

A review of the corrected submissions confirms no water volumes were exceeded for any POD's and no withdrawals exceeded authorized volumes. The Regulator requires accurate quarterly reports as the withdrawal volumes are reported out to the public on a quarterly basis.

Given the circumstances, Pieridae Alberta Production Ltd. is hereby issued a warning only for the following:

Pieridae Alberta Production Ltd., on or about January 9, 2024, at or near Fort St. John, in the Province of BC, did fail to comply with the condition of an authorization contrary to Section 106(3)(k) of the Water Sustainability Act.

If Pieridae Alberta Production Ltd. has any questions about this matter, please feel free to contact the undersigned.

Sincerely,

R.A. Workman
Manager, Enforcement
