NOTE: The information shown on this plan is obtained from various sources including the Government of British Columbia. Information from these sources may change without notice and may not reflect the status as shown on this plan. Midwest takes no responsibility for the accuracy or completeness of this information, spatially or otherwise.

PROJECT INFORMATION:

THE PROPOSED PROJECT IS:

- To be flagged at time of construction.
- Not within the Agricultural Land Reserve (ALR)
- Within the South East and South West "Oged" Zones

NOTE:

- Co-ordinates are UTM Grid NAD 83, Zone 10N, Reference Meridian 123°
- Distances are ground and in metres and decimals thereof

NOTE: Positions of buried facilities shown are derived from interpretations of signals from electronic devices. Reception of electronic signals is subject to interference and has limitations, therefore it should not be assumed that all buried facilities are shown, and facilities which are shown should not be construed as "located" until physically exposed. All underground installations should be marked by the respective authorities prior to excavation or construction.

BCGS: 933.100, 933.099, 933.089, 933.032, 933.022, 933.021, 933.020, 933.011, 933.010,

EPASS NO.: 10049244

NOTE: Water Course Crossing Information and New Cut / Existing Cut Information provided to Survey by Coastal GasLink Pipeline Ltd. for the Coastal GasLink Pipeline Project.

NOTE: Refer to Key Plan for Area Table information.

NOTE: The information shown on this plan is obtained from various sources including the Government of British Columbia. Information from these sources may change without notice and may not reflect the status as shown on this plan. Midwest takes no responsibility for the accuracy or completeness of this information, spatially or otherwise.

PROJECT INFORMATION:
THE PROPOSED PROJECT IS:
- To be flagged at time of construction.
- Within the Agricultural Land Reserve (ALR)
- Within the South East and South West OGC Zones
NOTE:
- Co-ordinates are UTM Grid NAD 83, Zone 10N, Reference Meridian 123°
- Distances are ground and in metres and decimals thereof

NOTE: Positions of buried facilities shown are derived from interpretations of signals from electronic devices. Reception of electronic signals is subject to interference and has limitations, therefore it should not be assumed that all buried facilities are shown, and facilities which are shown should not be construed as "located" until physically exposed. All underground installations should be marked by the respective authorities prior to excavation or construction.
