

# INFORMATION BULLETIN 2010-38

December 23, 2010

## **New Commission Website Address [www.bcogc.ca](http://www.bcogc.ca)**

To improve access to BC Oil and Gas Commission (Commission) data and applications, the Commission website is moving to a new URL. As of Jan. 10, 2011 the new Commission website will be [www.bcogc.ca](http://www.bcogc.ca). The current website remains active and will redirect users to the new website until Jan. 31, 2011.

The Commission is also moving the FTP site, to <ftp://www.bcogc.ca>. The current FTP site will be shut down and no longer accessible. If you cannot access the new FTP site, please use the support form at [www.bcogc.ca/support.aspx](http://www.bcogc.ca/support.aspx) to log a support request.

Please ensure that you update your favourites and bookmarks with the new website and FTP site locations.

**Should you have any questions regarding this Information Bulletin, please contact:**
