## **INFORMATION BULLETIN**

### **Revised Wells and Test Holes Manual and Application to Amend a Well Authorization Form**

**FORT ST. JOHN** – A revised version of the Wells and Test Holes Manual (v 2.3) and the associated Application to Amend a Well Authorization Form have been placed on the Commission's website. The form has been revised to include additional information related to the amendment application. Consequently, the Wells and Test Holes Manual has been updated to mirror and provide guidance on the revised amendment form.

To summarize manual revisions, a detailed table of revisions has been added in section 3.1 of the Wells and Test Holes Manual. An overview of the changes to the manual and form are provided in the following table.

<b>Section</b>	<b>Summary of Changes</b>
Manual section 3.0	Table added to track changes to latest version of manual
Manual section 8.4	Information added to assist in completing all sections of the revised Application to Amend a Well Authorization Form
Form section 1	Added tick boxes for Areas of Activity
Form sections 6,7,8,12,13,14,18,19,20	Sections added to provide additional scope to amendment application

The updated Manual and Forms are located on the Commission website respectively at <http://www.ogc.gov.bc.ca/wells.asp> and [www.ogc.gov.bc.ca/wellforms.html](http://www.ogc.gov.bc.ca/wellforms.html). Clients are advised to ensure that they have and are using the latest versions of the forms.

The Commission is committed to continual improvement and collects information on the quality and effectiveness of content provided in guidelines and manuals. Clients and stakeholders can send constructive comments to [OGC.Documentation@gov.bc.ca](mailto:OGC.Documentation@gov.bc.ca)
