

# INFORMATION BULLETIN 2010-13

May 20, 2010

## APPLICATION AND INFRASTRUCTURE UPGRADES

**TO:** Industry Clients and First Nations OGC Application Users

**EFFECTIVE DATE:** June 11, 2010

Continuous improvement is an important part of the BC Oil and Gas Commission's commitment to service excellence. As a result, the Commission has begun working on infrastructure upgrades. These upgrades will allow the Commission to take advantage of newer technologies and better position the Commission as we continue to develop our online business applications. As a result, our online business applications and data download services will be unavailable from 5 p.m. PST on June 11 to 8 a.m. PST on June 14.
