### Completion/Workover Report Submission Requirements Clarification

**TO:** Industry Clients

**EFFECTIVE DATE:** Immediately

**BACKGROUND:** The Oil and Gas Activities Act, Drilling and Production Regulation Section 36 (1), states that a report of each completion and workover operation must be submitted to the BC Oil and Gas Commission (Commission). Section 36 (2) further states that reports are not required for routine maintenance operations. This Information Bulletin clarifies requirements for when Completion/Workover Reports must be submitted and when they are not required to be submitted.

**REQUIREMENT:** The following link provides a table created for the purpose of defining industry operations that require the submission of a Completion/Workover Report and identifies operations that do not:

<http://www.bcogc.ca/document.aspx?documentID=694&type=.pdf>.

The permit holder is reminded of the requirement to submit two copies of the Completion/Workover Report within 30 days of completion of operations to the Commission at the following address:

Well Data Management  
BC Oil and Gas Commission  
300, 398 Harbour Road  
Victoria, B.C.  
V9A 0B7
