New BC Oil and Gas Commission Web Application Addresses

TO: Industry Clients

EFFECTIVE DATES: July 14 and 15, 2011

To improve access to BC Oil and Gas Commission (Commission) data and applications, the Commission is moving several web applications to new URLs. At 5 p.m. on July 14, 2011 the Commission will shut down several web applications to move them to a new location. These applications will be available for use at the new location at 8 a.m. on July 15, 2011. Below is a list of web applications and the new URLs that will be in effect at 8 a.m. on July 15, 2011.

Kermit	https://kermit.bcogc.ca
