Dear Mrs. Sendall:

6480-4100-59070-20

**APPLICATION FOR COMMINGLED PRODUCTION  
NORDEGG AND BALDONNEL FORMATIONS  
PEX ET AL OJAY C-12-L/93-1-9 (W.A. 4414)**

This is to advise that your application dated May 16, 1989, for commingled production from the Nordegg and Baldonnel formations in the subject well is hereby approved.

Please note that only one daily gas allowable will be approved for the combined formations.

This approval may be modified at a later date if deemed appropriate through a change in circumstances.

Yours sincerely,

*for*   
B.E. Hanwell  
Director
