Dear Sir:

Re: Inga Unit No. 3 - Concurrent Depletion Approval

We refer to our letter of September 19, 1975 concerning the granting of a gas allowable of 15 MMSCFD for the Unit for an initial period of 2 years effective September 1, 1975.

It was stipulated in the letter that application for an extension of this approval should be made prior to September 1, 1977 and be accompanied by evidence of satisfactory reservoir performance.

We would be grateful for your immediate attention to this matter.

Yours truly,

B. T. Barber,
Senior Reservoir Engineer.
