RE: **Concurrent Production - <sup>Bear Flat -</sup> ~~Wilder~~ - Bear Flat B and D Pools**  
**Approvals 03-07-006 and 03-07-008**

Dear Mr. Stefik:

Further to our telephone conversations of April 16 and 21, 2004, Devon Canada Corporation confirms that gas is being conserved at the A7-29-84-20W6M (bottom hole <sup>WR 13572</sup> 02/10-29-84-20W6M well (Bear Flat B Pool) effective February 17, 2004 and the 7-20-84-20W6M well (Bear Flat D Pool) effective March 27, 2004.

<sup>v/a</sup>  
Please give me a call at 403-232-7133 if you require any additional information.

Yours truly,

T. W. (Tom) Dowsley, P.Eng  
Manager, NEBC/NW Alberta Exploitation
