Attention: Mr. D. G. Campbell
Senior Reservoir Engineer

Dear Sir:

Re: Concurrent Production ^{NOTE}
Flatrock Halfway 'C' Pool.

This will acknowledge receipt of your application dated 1981 03 18 requesting relief from gas - oil ratio penalty for 10-14-84-17 W6M completed in the Flatrock Halfway 'C' pool.

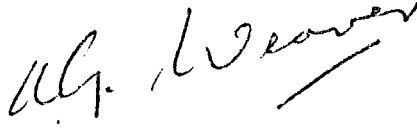

We wish to advise that condition No. 3 of the concurrent production approval of 1978 10 16 for the Flatrock Halfway 'C' pool is hereby modified as follows:

The oil allowable for the well 10-14-84-17 will be $13 \text{ m}^3/\text{d}$ (82 BOPD) and the gas production will be limited to $11.6 \times 10^3 \text{ m}^3/\text{d}$ (410 MSCFD).

The remaining conditions of our above approval are unchanged.

Yours truly,

PETROLEUM RESOURCES BRANCH
