Calgary, Alberta

Attention: Mr. A.D. Rogan

Dear Sir:

Re: Conversion to Water Disposal.

Reg. C-24-B/94-C-1

In reply to your recent inquiry, the November 1966 approval for conversion of the subject well is still valid.

Prior to actual conversion, of course, an 'Application to Alter' should be filed with the Development Engineering Section.

Yours truly,

A. J. Mingley
Senior Reservoir Engineer
