Re: Application for Good Engineering Practice
GAO Cdn Res Pintail 2-12-85-25 W6 -
Coplin Pool

This will acknowledge receipt of your application dated 1984 07 31 requesting approval of a Good Engineering Practice area for the well GAO Cdn Res Pintail 2-12-85-25 W6.

We wish to advise that your application is approved subject to the following conditions:

1. The area of G.E.P. consists of Section 12-85-25 W6.
2. The oil allowable for the well is 6.7 m³/d.
3. Gas production from the GEP area will be limited to 9.3 10³m³/d.
4. Gas production may be flared.
5. This approval may be modified at a later date if deemed appropriate through a change in circumstances.

Please note that the Manager - Field Operations at Charlie Lake must approve the design of surface facilities for sour gas flaring before the well is placed on production.

Yours truly,

A.G.T. Weaver
Director, Engineering and Operations
