Dear Ms. Hinds:

**RE: APPLICATION FOR GOOD ENGINEERING PRACTICE  
PEEJAY WEST HALFWAY "D" POOL**

Attached is a Good Engineering Practice scheme approval for the subject pool as requested in your application dated March 12, 1993. This approval (No. 93-06-002) is hereby granted under Part 8, Division 6, section 104 of the British Columbia Drilling and Production Regulation.

We concur that a pool allowable will provide operational flexibility for the two wells in this pool (d-22-G and d-23-G/94-A-15). The leases affected are both controlled by Dekalb so equity issues do not exist.

Yours sincerely,

Bou van Oort  
Acting Director
