Dear Sir:

Re: Application for Good Engineering Practice  
Baldonnel and Halfway Zones, Beg and Beg-  
West Fields

This is to advise that your recent application to produce gas wells, in the Baldonnel and Halfway Zones in the Beg and Beg West Fields, according to Good Engineering Practice is approved, subject to the following conditions:

1. This approval is for three GEP projects, to be known as
  - (a) Baldonnel Project, Beg Field
  - (b) Baldonnel Project, Beg West Field
  - (c) Halfway Project, Beg Field
2. The wells included in the Projects are those included within the shaded areas on the attached maps and completed in the appropriate zone. At the present time these are as follows:
