Dear Sir:

Re: Application for GEP, Kotcho Lake Field

Your application for an interim Good Engineering Practices Project in a portion of the Kotcho Lake Field is approved, subject to the following:

- (a) the approval applies to Slave Point production taken from the spacing area allocated to the well located in c-67-K/94-T-14.
- (b) within this spacing area, normal production daily gas allowables will no longer apply and wells are to be produced at rates compatible with good engineering practice.
- (c) the approval may be modified if deemed necessary.

Yours truly,

J. D. Lineham,
Chief, P. & N. G. Branch.AJD/pd
c.c. Mr. D. L. Johnson
