Attn. Craig Gibson - Manager, Reservoir Engineering and Geology

Dear Sir:

**Re: Waterflood Pressure Maintenance Approval, Amendment #3
Stoddart West - Belloy C Pool
Approval 91-09-001**

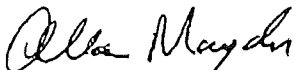

In accordance with our approval to expand the Stoddart West Belloy C pool waterflood project, Anderson Exploration hereby notifies the Oil and Gas Commission that water injection did commence into well 14-33-85-20W6 on August 1, 2000.

We understand that August 1, 2000 will become the effective date of the expanded waterflood project. ✓

If you require any further information, please contact me at 403-232-7316.

also termination of (04) Conc. Prod. scheme.

Sincerely
Anderson Exploration Ltd.

Allan Mayder, P. Eng.
Exploitation Engineer
