AT VICTORIA, BRITISH COLUMBIA

Dear Sir:

**RE: WATERFLOOD PRESSURE MAINTENANCE APPROVAL  
MUSKRAT LOWER HALFWAY "A" POOL**

As stipulated in clause 5 of Approval 03-09-001, the waterflood in the Muskrat Lower Halfway "A" Pool commenced on February 26, 2003 through the well B7-13-87-18W6M (bottom hole location 1-13).

If you require any further information please contact Sara Michalski at 403-232-7126.

Sincerely,

Devon Canada Corporation
