Re: Water Disposal, Hamilton ~~Well~~ Clarke  
d-72/G/24-J-10

Approval is granted to dispose of water, produced with gas from the Slave Point formation in the subject well, into the Slave Point disposal well Pacific et al Clarke Lake a-65-C/24-J-10. We note your intention of delivering such water via a 3 1/2" (Ø) cement-lined flowline.

Yours truly,

A. J. Dingley,  
Senior Reservoir Engineer.
