

## OIL AND GAS COMMISSION

Application for Good Engineering Practice Approval

TAKE NOTICE that Canadian Natural Resources Limited, Suite 2500, 855 – 2 Street SW, Calgary, Alberta T2P 4J8, has applied for approval to produce Bluesky-Gething “A” pool gas from the Pickell field, under Good Engineering Practice (GEP).

The area requested in the application is as follows:

094-H-03                      Block F – units 51, 61  
                                      Block G – units 60 and 70.

If no valid objection in writing is received by the undersigned by February 26, 2008 the application may be approved subject to such conditions as may be prescribed.

Copies of the application may be obtained from the applicant. Any objection should be sent in writing to both the undersigned and the applicant.

Dated at Victoria, British Columbia this        5th    day of    February 2008.
