

OIL AND GAS COMMISSION

Application for Good Engineering Practice

TAKE NOTICE that Duvernay Oil Corporation has applied for approval to produce gas from the Groundbirch area Montney formation under Good Engineering Practice (GEP) scheme.

The area requested in the GEP application is as follows:

78-19 W6M Sections – 20-22, 27-29, 31-33

79-19 W6M Sections – 3-5.

If no valid objection in writing is received by the undersigned by January 28, 2008 the application may be approved subject to such conditions as may be prescribed.

Copies of the application may be obtained from the applicant. Any objection should be sent in writing to both the undersigned and the applicant.

Dated at Victoria, British Columbia this 7th day of January 2008.

Richard Slocomb, P.Eng.
Supervisor, Reservoir Engineering
Resource Conservation
Oil and Gas Commission
